

Equal Opportunities Workshop: Giving a memorable presentation

This workshop aims to help participants present their research with conviction and confidence. Participants are introduced to key techniques in the design and delivery of presentations and will put these techniques into practice by giving a short presentation on their own work. Detailed individual feedback is given throughout the workshop and each participant leaves with their own personal development plan.

In this workshop, you will learn how to...

- know your audience
- identify your key message
- make a strong opening
- select key points
- close your presentation effectively
- use your voice effectively
- adopt confident body language
- think on your feet
- deal with difficult questions

Coach

Deborah Bennett has a unique combination of experience in science, research and teaching. She has a PhD in Mathematical Biology, an MA in Teaching English for Academic Purposes and more than ten years of teaching experience in a wide range of teaching contexts. Since founding BETA in 2010, she has offered regular workshops for postgraduates and faculty members at various research institutions in Western Europe. She is an ILM-certified trainer and remains active in English for Academic Purposes research.
